To Whom it May Concern

I am sick and tired of my children being unable to walk down to Tesco's, the park or to School without their shoes becoming covered in dog excrement. I have just cleaned yet another pair of shoes and I now feel physically sick. Why don't you people with dogs try to have some regard for the other people who have to use the footpaths and fields of the village. Have you never heard of poop-scoops? How long is it going to be before some poor unfortunate child succumbs to toxicaria or some other equally nasty dog related disease. Don't get me wrong, I like dogs but I am very annoyed at the irresponsible actions of their owners. These same people would be up in arms if I allowed one of my children to foul the pavement. There would be an absolute outcry if anything like that happened.

One final note, when are the Parish Council going to implement the fines that they are so often threatening or do we as the long-suffering public have to take the law into our own hands. I'm sure I'm not the only person in this village that feels strongly about this disgusting problem!

Elizabeth Lay

A tribute

It was with real regret that we heard that the Tea Dances were to cease, crushed by the pressure of competition, and by indifference.

Those pretty table centres, clean and beautifully folded serviettes, the carefully cut dainty sandwiches and delicious plates of cakes and scones will be seen no more.

But Margaret Moffat and her loyal helpers will long be remembered and loved for their brave attempt to preserve for us in Bar Hill a taste of a gentler and more gracious age, the Tea Dance.

LETTER TO THE EDITOR

Dear Mrs Watson

First, the dog question. Dog owners have ignored the repeated requests in your columns and the notices placed on light standards. The bank of the stream running through Hollytrees is now fouled in every yard of the way. The chief culprit owns two dogs, a small and a very big one the evidence for which is clearly visible in the size and amount it is allowed to leave behind it. No attempt is ever made by the owner to clear up. The situation is the same particularly along the length of the perimeter fence of the Motel and in every other open area. Only prosecution will stop him and others like him who flout both appeals of the residents and the bye-laws.

Secondly, vandalism. One present criminal craze is to set fire to litter boxes. The most recent outrages have achieved damage to the litter box in the bus stops at the entrance to Appletrees and Hollytrees and to the litter box in the central children's play area near the parish council's office. Another prevalent offence is to interfere with street lighting by removing the inspection panel and ripping out the cables within.

Litter. The village has lost the services of the man who used to clear up most of the mess. Just how well he worked is clear from the state of things now that his services are no longer available. In the children's play area mentioned above there are soft drink cans, fish and chip papers and other wrappers. All round the perimeter road there lie cans, cigarette packets and other rubbish hurled from passing cars. The bus stops are filthy with cigarette ends, matches, sweet papers and other rubbish trodden underfoot and made dreary with lewd graffiti. Children delivering newspapers use Tesco trolleys and regularly, not sometimes, jettison the trollies and spare copies of the newspapers in hedges and in ditches.

I suggested through these columns before and I repeat it here that is the residents of Bar Hill would clear up one small open area near their own house, the matter would largely be kept under control.

If this is unacceptable then we must demand that action be taken on our behalf by our elected representatives. There are 13 Parish Councillors. So far their action has been ineffective. We must demand that they take action.

STREET LIGHTS

If you notice a street light which is not working, note the number of it (this will be 'CCC.....') and report it to the County Council on: Cambridge 317723 or, alternatively telephone the Parish Clerk and advise her of the light number.

THE ROYAL BRITISH LEGION

Our guest speaker at the March meeting attracted a good attendance. Mr. Dennis Wilson the County President and National Treasurer spoke of the wide variety of ways in which the Legion spends the money so generously given by the general public, from Christmas comforts to troops in the Gulf and Northern Ireland to Homes for elderly or disabled ex-service personnel.

We were very pleased to welcome back our Vice-Chairman Dave Cook on his safe return from service in the Gulf with the R.A.F.

This month's meeting will be on Thursday 11th April 7.30 p.m. and the Social evening on Saturday 20th April 8 p.m. both at the Farmhouse.

The date for the Dedication of our Standard has been fixed for Sunday 15th September 1991. Full details will be announced later.

TEA DANCES

We regret to announce that after 2 years we are to discontinue the Village Tea Dances due to recent lack of support. We would like to thank the Village Hall Management Committee and Barry Taylor for all their help and support.

We have all thoroughly enjoyed the last two years but to continue is no longer economically viable.

Attention all new and/or small businesses

Do you resent the amount of time you spend on routine matters such as book-keeping, chasing overdue payments and preparing the monthly account figures? Do you feel that your valuable time could be spend more profitably on building your business? You do? Then let me introduce myself.

I am offering a computerised book-keeping service ranging from the recording of sales and purchases, with the nominal ledger arranged to suit your individual needs, through to monthly reports such as profit and loss account and VAT analysis. Statements to your customers are produced automatically and can be either returned to you for posting or despatched by myself. In addition to the book-keeping service, I can provide schedules and letters for your Credit Control, Cash flow forecasts and other management control information.

Because I work from my own home, using an IBM-compatible computer and up-to-date software, you can have all the advantages of a computerised accounting system without having to find the capital or the office space to support it. Naturally, the service is completely confidential and under your control at all times, if you wish to know any further details, please telephone me at the number below.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 21st March at 7.30 p.m. in The Old Farmhouse.

Skateboard Facility: The Clerk will be requesting letters from the parents of the skateboarders interest in providing a ramp, pledging their support and help to the boys. The Parish Council wanted to see evidence that parents were participating in this venture.

Path to Bus Shelter at Acorn Avenue: The Clerk will write to the County Council asking that a path be constructed along the roadside to take residents to the new shelter as at other junctions in the Village.

Proposed New Access on to Saxon Way: This proposal, by Cambridge Scanning Co., has now been put forward to the District Council Complaints Committee as the Parish Council feel very strongly that the access would create a danger to traffic on the bend.

Abuse of Roadside Verges Around the Village: The Parish Council would wish to install either kerbing or posts at areas where drivers are parking on the roadside verges around the perimeter of the Village. There was particular concern at the area by the Balancing Lake. These drivers are spoiling the grassed areas by destroying the grass and causing ruts in the ground.

Information Centre: Prudential Properties have now terminated their Licence on this property. Other interested potential tenants will be asked to make offers for the new Lease.

Annual Parish Meeting: This will be held on Thursday, 18th April in the Church Centre at 8 p.m. It will be in place of the regular monthly Parish Council meeting.

Clerk to the Parish Council,

'GET A GRIP ON LITTER'

Bar Hill Scouts and Litter Busters are getting together for the 'National Spring Clean'. Come along and join us at the Old Farmhouse at 10 a.m. on Saturday, 27th April.

Dog Fouling on Public Areas of the Village

Several people have complained at the increase in the amount of dog fouling on paths and grass throughout the Village. You are all reminded to be vigilant so that the culprits' owners can be caught and, possibly, fined. We are all responsible for making sure this offensive and extremely anti-social behaviour is eradicated once and for all.

Parish Clerk.

Kessingham Beach Holiday Camp (18th - 25th May) This is just a timely reminder that by the time you receive this copy of the Bar Hill News your balance of payment to the Holiday Camp will be almost due (the last acceptance date being the 6th April). If you have any queries or problems have a word with me?

Our Bi-Monthly Committee Meeting was held on Wednesday, 13th March at which the temperature outside was in the 60's which propelled the thoughts of your Committee Members to our Summer Outings - We are provisionally planning the following trips so make a note in your diaries:-

Wednesday 1st May - Tour of the Tulip Bulb Fields - SPALDING
Monday, 3rd June - Giffords Hall - HARTEST, SUFFOLK
Wednesday 17th July - CROMER
Thursday, 15th August - LOWESTOFT
Wednesday 18th September - FELIXSTOWE

These could of course be subject to change, but our thoughts are being given to other alternatives as a wide a choice as possible.

MEMBERSHIP: Our Registrar (SID) has confirmed that we now have 92 members and during the 9 weeks from the 9th January, 565 members have passed through our portals, i.e. an average of 63 per week. This is truly magnificent when you consider what terrible weather we had on occasions. We are eagerly awaiting our hundredth member.

SPEAKERS AND ENTERTAINMENT: Martin has been as usual very active in laying down a series of speakers during the next few weeks and other forms of enjoyable entertainment; at least you can be guaranteed plenty of surprises with Martin in the coming weeks ahead.

PORTACABIN: At the time of going to press we have had no further communication as regards the grant towards the Portacabin; we must remain patient.

ACTION STATIONS: At our recent Monday Meetings we had discussed the installation of smoke alarms and the making out of wills. If you are still experiencing any problems in these respects please let me know?

BAR HILL VILLAGE SUMMER FETE - 29th JUNE: As you will probably recall from one of our Meetings it is our intention to have a stall at this years' fete and this is just a reminder to get started on all those items, i.e. knitted, crocheted, toy making items etc. and how about some of you men starting on seeds and cuttings. More about this later in our May and June Bar Hill News Issues.

(JIMMY JAMES - SECRETARY)
